Contents: 500 ml

Bottle: Vidro/Glass

Model: Seduction

Cap: Cork T (synthetic)

Cardboard Box: 6 units

Bar code: 0606529963958

In the state of Maranhão, JUÇARA is the traditional name for what is called Açaí in other states of Brazil

Sensory

Visual: reddish color, clear and bright, with marked reflections in tones and moderate opacity.

Nose: fine, persistent with characteristic notes of juçara (açai), guarana and red fruits, with low alcoholic sensation.

Palate: balanced acidity, light body with sweet notes.

Final impression: it presents a smooth and light aftertaste of juçara (açai) and guarana, with a low alcoholic sensation on the palate and a light and pleasant consistency
